

CCFC Christmas Carols

Merry Christmas Everybody

Verse

After Sisu bought our club nine years ago
Tim and Joy inflicted every kind of blow
First they got us relegated and
Then kicked out of our home
Now half the team we're watching is on loan.

Chorus

Sell Up and Go, Joy Seppala
Sky Blue Army want some fun
We'll have a future after
Joy & Tim have gone.

Sell Up and Go, Joy Seppala
Sky Blue Army want some fun
We'll have a future after
Sisu's days are done.

Rudolph the Red-Nosed Reindeer

Sisu the Unfit Owners
Claimed they had a great big purse
But as we never saw it
Sisu made the Sky Blues worse

Most of the Sky Blue Army
Used to shout and call them names
Sisu would never listen
We were always losing games

Then one cold December day
Thousands came to say
Sisu with your purse strings tight
Please Sell Up & Go tonight

Oh how the fans will love it
When we get the chance to see
Sisu the Unfit Owners
Heading out of Coventry.

White Christmas

I'm dreaming of a nice Christmas
Just like the ones before Sisu
With the City winning
And fans all singing
To cheer players in Sky Blue.

I'm dreaming of a nice Christmas
When Sisu sell up and take flight
So our days are merry and bright
Because Joy and Tim are gone from sight.

Let it Snow

Oh the City have become frightful
On the pitch not so delightful
The fans would all just like to know
Will you Go? Sisu Go! Sisu Go!

As our City is slowly dying
And our fans do their good-bying
Sisu have dragged us way down low
Will you Go? Sisu Go! Sisu Go!

Hark the Herald Angels Sing

Hark the Herald Angels Sing
Sisu when are you leaving?
You have made our club not right
Can't you sell up overnight?
Joyous this would make the fans
Of the club we think so grand
Come on Sisu make our day
Just sell up for this we pray
Hark the Herald Angels Sing
Sky Blues climb the leagues again.

CCFC Christmas Carols

O Little Town of Bethlehem

O Football Club of Coventry
So sad it makes me cry
To just sit back and watch us crack
While Sisu just stand by
We see our great club crumbling
Our hopes will all soon die
O come with us, come side with us
To wave Sisu goodbye.

Jingle Bells

Jingle Bells 'til Sisu Sells
Fans will drift away
We would all come running back
If Sisu sold today, hey

Jingle Bells when Sisu Sells
Seppala Goes Away
No more Tim, the City Sing
And watch the Sky Blues Play.

We Wish You A Merry Christmas

We won't have a Merry Christmas
we won't have a Merry Christmas
we won't have a Merry Christmas
While Sisu are here

Court hearings they bring,
relegation and spin
They took us away to Sixfields
For a whole wasted year.

We won't have a Merry Christmas
we won't have a Merry Christmas
we won't have a Merry Christmas
While Sisu are here

12 Days of Christmas

On the 12th Day of Christmas Seppala took from me

12 months at Sixfields	<i>[from first game on 11th August 2013 to last game on 19th August 2014]</i>
11 Thousand Fans	<i>[average league attendances down from around 20,000 to 9,000]</i>
10 Point Deductions	<i>[twice: 2012/13 and 2013/14]</i>
9 Years of Failure	<i>[Sisu took over in December 2007]</i>
8 Blocks of Seating	<i>[North Stand closed to CCFC fans from 2015/16 season]</i>
7 First Team Bosses	<i>[Mowbray, Pressley, Robbins, Thorn, Boothroyd, Coleman, Dowie]</i>
6 Pleasing Players	<i>[and the rest - my pick Vincelot, Fleck, Maddison, Baker, Christie, Wilson]</i>
5 Thousand Pounds	<i>[estimated amount spent by typical fan following Sky Blues since Sisu took over]</i>
4 Years in Court	<i>[from Rent dispute in 2012 to Supreme Court refusing leave to appeal in 2016]</i>
3 Play Offs	<i>[no of times that arguably CCFC should have reached play off or automatic promotion spots in last 9 seasons]</i>
2 Training Grounds	<i>[Academy + Ryton both under threat]</i>

And My Coventry City FC.
